

MetaX Community Merchant Alliance Rules

Merchant Prohibited Conduct:

1. Merchants are strictly prohibited from overpricing (industry actual prices).
2. Merchants are strictly prohibited from selling counterfeit or substandard goods. The quality of the products must comply with relevant national standards, and there should be no quality issues.
3. Merchants are strictly prohibited from accepting 100% USDM payments; fiat currency must not be less than 10%.
4. Merchants are strictly prohibited from circulating USDM to individuals who are not their direct referrals.
5. Merchants are strictly prohibited from cooperating with any other MetaX community partners to circulate USDM.
6. Merchants are strictly prohibited from damaging the reputation of the MetaX community.

Merchant Responsibilities:

1. Based on a comprehensive understanding of the value of USDM, merchants should actively expand their commercial user base.
2. Merchants should be pioneering and avoid internal competition.
3. Merchants must operate with integrity and maintain a good service attitude.
4. Product images must be clear and authentic, and merchants must not use stolen or fake images.
5. Merchants should keep their phone lines open at all times and promptly respond to consumer inquiries and complaints, avoiding delays or non-responses.
6. Merchants must ensure the accuracy of product delivery times and logistics information.
7. Merchants must provide after-sales services, including returns, exchanges, and repairs.
8. Merchants must abide by the community's disciplinary regulations and avoid any violations.
9. Merchants need to encourage consumers to use USDM for payments and to share with more people.

Handling of Violations:

If a merchant engages in any violations, the developer community will take appropriate actions, including but not limited to delisting products, restricting transactions, and banning accounts for severe violations.

In summary, merchants in the Merchant Alliance must adhere to a set of rules and regulations. Only by following these rules and regulations can merchants achieve better sales performance and reputation in the community, and only then can they achieve long-term survival and better development.

Note: Once participating in USDM circulation, it is considered that one knows and understands the MetaX community rules and is willing to abide by them.
